RELEASE...

AS A REMINDER...

WHATEVER THE GAME, SCHOOL COMES FIRST.

18 GTA 6 IS RATED 18

Grand Theft Auto 6 is an adult game (18+) with mature content. Please check age ratings and suitability.

EVERY SCHOOL DAY MATTERS

A game release, a launch event or extra screen time is not a reason to be absent from school.

SLEEP MATTERS TOO

Please support sensible screen-time boundaries so pupils get enough rest, arrive on time and are ready to learn and make progress.

THE NEXT LEVEL CAN WAIT. YOUR EDUCATION CAN'T.
