

Dear families

Re: Junior Leadership Team announcement

We are very proud to introduce our new Junior Leadership Team (JLT) for St Thomas Becket Catholic School. After a rigorous application process, with so many fantastic students putting themselves forward, these individuals have been chosen to represent our school community and lead with purpose.

What is the STB Junior Leadership Team?

The JLT team consist of House Captains and JLT Prefects who will work alongside the Head Boy and Head Girl, alongside staff and the Senior Leadership Team to champion student voice, lead key projects, and help shape the culture, ethos, and belonging here at St Thomas Becket Catholic School. The 6 key leadership areas are:

- Ethos & Chaplaincy
- Wellbeing & Inclusion
- Arts & Culture
- Sports & Enrichment
- Environment & Facilities
- Curriculum & Learning

RESPECT

COMPASSION

JUSTICE

FAITH

Last week we had our official launch meeting where we:

- Set out the vision and expectations for the JLT
- Confirmed roles and responsibilities
- Planned our first projects for the year
- Discussed how we'll represent student voice across STBCS

The JLT promise to work together as a team — to listen, to lead, to serve with integrity, and to inspire others to do the same.

"Leadership is service." Pope Francis.

Many congratulations to the entire Junior Leadership Team as they begin their new leadership roles. We are very excited for them to make a real difference across both the school and wider community.

God bless,

Mr P McCahill
Headteacher
