Dear parents/carers,

Arrangements for hot weather this week:

We are expecting another period of very hot weather this week and want to ensure that all students remain safe, comfortable, and ready to learn in school.

Having listened to feedback from students, parents/carers and staff, we have made the decision to allow students to wear their school PE kit on Wednesday, Thursday, and Friday this week.

On Monday and Tuesday, students should attend school in normal school uniform with blazers, ties and correct school shoes.

On Wednesday, Thursday, and Friday, students may wear their school PE kit to school. This is a temporary adjustment due to the forecast for high temperatures and the events taking place later in the week.

Students should wear their normal school PE top with suitable shorts, tracksuit bottoms or sports leggings. Shorts must be appropriate for school and should be a sensible length, just above the knee. Cycle shorts, fitted shorts, or short thigh-length shorts are not permitted. If clothing is deemed inappropriate, students may be sent home to get changed, or we will request that suitable clothing is brought into school.

Students are expected to wear a clean PE kit each day. A reminder that hoodies, crop tops and Crocs are not permitted.

It is also important that all students continue to wear their school lanyard and ID card each day. This helps staff to identify students quickly and is an important part of our safeguarding procedures.

Students should bring a refillable water bottle to school each day. We also ask that sun cream is applied before school and topped up throughout the day as needed. Hats and sunglasses may be worn outside, but should not be worn inside the school building.

Please also note two key events taking place this week:

**Wednesday 8th July** – BecketFest

**Friday 10th July** – Sports Day (PE kit or House colours can be worn)

We will continue to monitor the weather closely and will make any further adjustments needed to keep students safe.

Thank you for your continued support.
